2. You will be asked for your insurance information by Remedy Urgent Care

4. You will need to remember to ask for only the **PCR COVID-19** testing, not the Serology AB test.
5. Minimal questions will be asked.
6. Testing will be scheduled for drive by or walk in testing.
7. Results will be called and mailed to you; you will need to bring the two negative results into your visit with The START Center.
